FOR THE SAFETY AND ENJOYMENT OF CHILDREN AND PARENTS PLEASE TAKE NOTE OF THE FOLLOWING

- Goggles (not compulsory but advisable)
- Swimming cap and/or hair bands for students with long hair
- Sun protection (hat, suit and sunscreen)
- Flippers (compulsory for squad swimmers)

Programmes entry card

On full payment for your lessons you will be issued with a Programmes swipe card for entry. The card needs to be used to gain entry to the aquatic centre. Failure to produce a card will result in casual admission being charged.

Every Swim School child will be issued with a uniquely barcoded scan card. Once you have received your card, please retain them from programme to programme even if you do not enrol every term.

Parents with prams must scan their cards at reception before proceeding to the pram access door.

Photography of children in the centre

If you wish to take still photos or video footage of your child/children during a class you will need the permission of the parents of the other children in that class. This request needs to be made verbally through the Swim School Coordinator or Supervisor on the pool deck.

The use of photographic mobile phones is banned completely from the centre change rooms because of their concealed nature.

Entry to the pool with your child

All children under 10 years must be accompanied by an adult into the aquatic centre. Reception staff will not permit entry to unaccompanied children younger than 10 years of age

Safety and supervision of your children

While we can assure you that your children are in the safest of hands during their lesson, they are not the responsibility of our instructors before or after their lesson. Areas in and around pools, including the trampoline and WAIS equipment are off limits.
