Them Crooked Vultures

Them Crooked Vultures, the 'supergroup' that formed in Los Angeles, California in 2009, featuring Dave Grohl, Josh Homme and Led Zeppelin's John Paul Jones (as well as another portly, evidently 'not so super' fellow on rhythm guitar) have announced tour dates for Australia.

The band are yet to officially release any music, but after word leaked about the secretive project, a number of videos popped up showing the band's debut in Chicago a few months back, before footage from various European festival slots. A number of video shorts have also appeared via the bands website.

Drums:	Dave Grohl (Foo Fighters / Nirvana)
Vocals / Guitar:	Josh Homme (Queens of the Stone Age / Kyuss / Desert Sessions / Eagles of Death Metal / Screaming Trees)
Bass / Keyboard:	John Paul Jones (Led Zeppelin)
Feature Live Guitar:	Alain Johannes (Eleven / Queens of the Stone Age)
